I congratulate you for aspiring career in judicial services which in my opinion is one of the most noble profession. I vividly recall an adage by Martin Luther King Jr. that

‘Injustice anywhere is a threat to justice everywhere.

Judiciary as an institution is a revered place where people look up for Justice. The Constitution sanctified the rights of the people and the duty to uphold them for probono lies with the Judges. Every Judge is accountable to the common man while seated on the position of power and authority. Never forget that with great power comes great responsibility.

Best wishes for a successful career ahead.
